WORTH SHOWING OFF

essastone® adds style, luxury, and sophistication to any space. Offering the enduring appeal of up to 95% natural quartz, a contemporary palette of designs, and an exceptional 15 year limited warranty,* it will be worth showing off for years to come. Its superior quality makes it the premium choice for kitchens and bathrooms. So for a touch of distinction, choose essastone, the pinnacle of engineered surfaces.

kitchens

Inspired flair meets masterful restraint in the sleek, refined lines of this essastone kitchen. The use of classic Bone White in combination with the warmth of dark timber veneer blurs the distinction between indoor and alfresco living brilliantly, resulting in a kitchen that is truly alluring.

essastone can be used in external applications where a gas or electric inbuilt BBQ is used, with strict adherence to requirements detailed in the essastone fabrication manual. The installation must not be in direct sunlight outside the roof area; it is only permitted in alfresco applications inside the roof line. Please visit essastone.com.au for more information.

defining features

Unique designs essastone quartz's carefully designed palette perfectly coordinates with other leading brands of interior surfaces, while reflecting Australia's unique aesthetic.

Scratch resistant Quartz is one of the hardest natural materials on earth, making essastone quartz highly scratch resistant.

Stain resistant Very low surface porosity prevents staining from spills.

Easy care Unlike most natural stone surfaces, essastone quartz does not require sealing or special cleaning products.

Chemical resistant essastone quartz is unaffected by most household chemicals, acids and oils. Please refer to the care and maintenance card for more information.

Consistent quality Advanced technology and manufacturing techniques ensure that essastone quartz slabs are produced to a consistently high standard.

Quality assurance essastone quartz is supported by a 15 year limited warranty.*

Care and maintenance essastone quartz requires very little maintenance to keep the surface in pristine condition for years. For general cleaning, a wipe with warm soapy water and a damp cloth is adequate. For stubborn spills a common cream cleanser is recommended.

Sheet size essastone quartz comes in one sheet size: 3070mm x 1410mm x 20mm (or 30mm[†] and 12mm[†] on selected designs) and can be fabricated in a variety of ways to achieve stunning looks.
