

# **Trident Care Connector Pan**

## **Vitreous China Pan for accessible applications**

### **Installations complying to the WC pan requirements to AS 1428.1-2009**

A contemporary designed 4.5 litre full flush **Trident Care Pan** with concealed trap pan is designed to provide a raised seat height of between 460-480mm for accessible applications . The pan features a concealed trap which facilitates easy cleaning. The versatility of the **Trident Care Pan** with concealed trap makes it ideal for use by both the ambulant people with disabilities and wheel-chair users including wheeled commode chairs.

**Important: Further reference must be made to AS 1428.1-2009 with current amendments to determine circulation space, grab rail and installation requirements. The dimensions in this sheet may change with amendments to the standards.**
