

TFS9010AINDMB

90cm 10 Function Induction Freestanding Cooker | Air Fry | Matte Black

TECHNIKA
COOKING WITH PASSION

FEATURES AND BENEFITS

148L Capacity

Class-leading 148L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

Induction Cooktop

Efficiently sear, stir fry, boil, or simmer with precision. Heat is delivered directly to the cookware when detected on the ceramic surface. With Power Boost, high heat can be achieved rapidly.

Steam Bake

The Steam Bake function combines hot air cooking with the benefits of steam, to bring out the flavour in food, cooking it more evenly and producing juicy and crispy results.

Soft Close Door

Fitted with a premium hinge system, the oven door closes softly with a gentle push, making it easy to close while your hands are full and prevents it from slamming shut.

Air Fry

Delivering the benefits of an Air Fryer into a built-in oven. The dedicated Air Fry function helps to create perfectly crispy results without the extra oil, while saving space in your kitchen.

Telescopic Rails

The fully-extendable telescopic rails glide smoothly in and out of the oven cavity. Perfect for handling heavy cookware or quickly checking the progress of your cooking.
